

VALUERS & PROPERTY CONSULTANTS

BRANCH MANAGER – DUBBO

Established in 1960, Taylor Byrne delivers the highest standard of property valuation and advisory services Australia wide through our branch network in Queensland, New South Wales and Northern Victoria.

Due to the continued success and growth throughout this network, an exceptional new opportunity now exists for the following new position within our company.

The ideal candidate would have a strong history of property valuation experience across a range of property types and purposes. A successful track record of providing leadership and building client relationships is essential, as is the ability to manage corporate governance expectations. This senior level appointment requires the following skills and experience:

- Experience in valuation across a range of property types and instructions, i.e. rural, commercial, residential or specialist properties;
- AAPI/CPV/RPV qualification;
- High level communication skills;
- Rural valuation skills advantageous;
- Ability to work autonomously and part of a larger team/network;
- Solid IT skills;
- Management/HR skills;
- Strong verbal communication skills, and strong negotiation and organisational skills
- Strong written and report writing skills
- Must exhibit initiative and a strong desire to achieve results

This is an ideal opportunity for an enthusiastic property professional seeking career progression within a market leading firm. A competitive salary package in addition to professional development opportunities will be offered to suitable candidates.

If you are interested in this role or otherwise working with the Taylor Byrne group, please send an up to date confidential CV expressing your interest by email to jsimpson@taylorbyrne.com.au

All applications are treated in the strictest of confidence.
