

Our “Value Life” charity fund has \$25,000 to donate

Our ‘Value Life’ charity fund currently has \$25,000 set aside for its 2018 round of donations.

We are looking to make a difference in the metro and regional communities we live & work in BUT we need your help to decide which lucky charities will receive a donation.

Please help us by:

- Nominating a charity that is important to you
- Telling us why this charity means so much to your community
- Letting us know what a financial contribution would do for your nominated charity
- Please submit your nominations by COB Friday 2nd of March 2018

Send all submissions via email to valuelife@taylorbyrne.com.au
